The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATION AND LEVYING OF ASSESSMENTS FOR  
COUNTY LIGHTING MAINTENANCE DISTRICTS 1687, 1697, 10038  
AND COUNTY LIGHTING DISTRICT LLA-1,  
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES FOR  
SUBDIVISIONS TERRITORIES  
SUPERVISORIAL DISTRICTS 1, 2, 4, AND 5  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the enclosed Resolution of Intention to Annex Subdivision Territories to County Lighting Maintenance Districts 1687, 1697, and 10038 and County Lighting District LLA-1, and Order the Levying of Assessments within the Annexed Territories, whose areas and boundaries are identified in the attached Appendix A and diagrams, for Fiscal Year 2006-07.
2. Set a date for a public hearing regarding the proposed annexation of subdivisions and levying of annual assessments based on the Fiscal Year 2005-06 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$5 for the Unincorporated Zone, \$1 for the Carson Zone, and \$17 for the Lomita Zone.

3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of \_\_\_\_\_. The mailed notice will include assessment ballots.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:**

1. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
2. Determine whether a majority protest against the proposed annexation or assessment exists.
3. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation of Subdivision Territories to County Lighting Maintenance Districts 1687, 1697, and 10038, and County Lighting District LLA-1, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2006-07, either as proposed or as modified by your Board. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2006-07.
4. Adopt the enclosed Joint Resolutions between your Board and other taxing agencies Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance Districts 1687, 1697, and 10038, as approved by nonexempt taxing agencies, and the enclosed Resolution Approving and Accepting the Exchange of Property Tax Revenues on behalf of the Los Angeles County West Vector Control District, resulting from the annexation of L 148-0 to County Lighting Maintenance District 10038.
5. Find that the annexation and assessments are for the purpose of meeting the operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of street lights, necessary to maintain service within the proposed annexation areas and exempt from the requirements under the California Environmental Quality Act.

6. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings in those subdivisions where the proposed annexation and levying of assessments have been rejected as a result of a majority protest and refer the matter back to Public Works.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

These recommended actions are for your Board to annex the subdivisions listed in Appendix A into the applicable lighting districts and zones, and to levy assessments on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received. It is also recommended that your Board approve the exchange of property tax revenues among the County of Los Angeles, the Cities of Carson and Lomita, and other nonexempt agencies whose service area is subject to the jurisdictional change.

County Ordinance and the City of Carson and the City of Lomita Municipal Codes require the installation of a street lighting system by developers. The approval of the proposed annexations, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

### **Implementation of Strategic Plan Goals**

These actions are consistent with the County Strategic Plan Goal of Fiscal Responsibility, as this annexation, levy of assessments, and property tax transfer provide the funding necessary for the operation and maintenance of new street lighting facilities within the annexed territories.

### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Fiscal Year 2005-06 budget to cover the annual operation and maintenance costs of the street lights should operation and maintenance charges be incurred prior to the end of Fiscal Year 2005-06.

In subsequent fiscal years, the ongoing operation and maintenance costs of the street lights within these annexed territories will be funded by a portion of the respective Lighting District's share of ad valorem property taxes collected from property owners

within the annexed territories, supplemented by assessments annually approved by your Board. The annexation will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund, County Library, County Road Maintenance Districts 1, 4, and 5, County Fire Department, and the Los Angeles County Flood Control District.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning Ordinances as a condition of approval. The Streets and Highways Code (Sections 5821.3 and 22608.2) provides that a territory owned by a subdivider subject to said Ordinance may be annexed to a lighting district, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required.

Yet, under Proposition 218 (California Constitution, Articles 13C and 13D), it is still necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots at a public hearing. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefited properties within County Lighting District LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each from the improvements. A method of distributing the street lighting costs based on land-use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2005-06 Annual Engineer's Report on file with Public Works.

Section 99.01 of the Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. If the agency is a city, both the city and County must approve the exchange of property tax revenue.

The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues, approved by the Cities of Carson and Lomita and other nonexempt taxing agencies, are enclosed for your consideration.

The Board of Directors of the Los Angeles County West Vector Control District has not returned the approved Joint Resolution for the exchange of property tax revenue for Project L 148-0. Since it is equitable that each local agency participate in the exchange of property tax revenue generated in the area subject to the jurisdictional change, we recommend that your Board adopt the enclosed Resolution Approving and Accepting the Exchange of Property Tax Revenue for Project L 148-0 on behalf of the Los Angeles County West Vector Control District.

The Cities of Carson and Lomita have executed Resolutions Granting Consent and Jurisdiction to the County of Los Angeles in the matter of annexation and to the assessments thereof, for the subdivision projects lying within their respective jurisdictional boundaries. These Resolutions are on file with Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of the County-administered street lighting districts, and will result in property owner(s) and developer(s) remaining responsible for the future operation and maintenance of the street lights and/or result in street lights being turned off and poles removed.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code. Copies of diagrams showing the boundaries of each proposed annexation territory are included with the Resolution of Intention.

Following the Board's approval of the Resolutions for the annexation and exchange of property tax revenues, Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the Government Code. The enclosed Resolutions have been approved as to form by County Counsel.

**ENVIRONMENTAL DOCUMENTATION**

This project is exempt from the California Environmental Quality Act under Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolutions to Public Works. Also please forward one adopted copy of the letter and Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

**COUNTY OF LOS ANGELES  
BOARD OF SUPERVISORS  
RESOLUTION OF INTENTION TO ANNEX SUBDIVISION TERRITORIES TO  
COUNTY LIGHTING MAINTENANCE DISTRICTS 1687, 1697, AND 10038  
AND COUNTY LIGHTING DISTRICT LLA-1,  
AND ORDER THE LEVYING OF ASSESSMENTS  
WITHIN THE ANNEXED TERRITORIES FOR  
FISCAL YEAR 2006-07**

WHEREAS, on July 24, 1979, the Board of Supervisors of the County of Los Angeles approved the formation of County Lighting District LLA-1 to provide supplemental funds for the operation of street lights in County Lighting Maintenance Districts; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2005-06 Annual Engineer's Report that shows estimated operating costs and recommended assessments for each zone within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (Section 5821.3 of the Streets and Highways Code) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by Ordinance, without notice or hearing; and

WHEREAS, the Landscape and Lighting Act of 1972 (Section 22608.2 of the Streets and Highways Code) provides that in the event an Ordinance requires installation of improvements by a subdivider, the territory may be annexed to an existing lighting district without notice and hearing or filing of an Engineer's Report or both; and

WHEREAS, Article 13D of the California Constitution provides that the notice, protest, and hearing requirements imposed by Section 53753 of the Government Code supersede any statutory provisions applicable to the levy of a new or increased assessment.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the subdivision territories listed in Appendix A to County Lighting Maintenance District 1687, 1697, or 10038, pursuant to Section 5837 of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of subdivision territories listed in Appendix A to County Lighting District LLA-1, pursuant to Section 22605 of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for proper operation and maintenance of proposed street lights within the proposed annexation territories and located in County Lighting Maintenance Districts 1687, 1697, or 10038, and County Lighting District LLA-1. The needed amounts shall be assessed in Fiscal Year 2006-07 upon each lot or parcel of land lying within the annexed territory based on land-use categories that designate usage units on the basis of benefits received as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997 to include government-owned parcels, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The proposed base assessment rates are shown in the Fiscal Year 2005-06 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same proportional increases are proposed for all other benefited property uses in the proposed annexation territories.

SECTION 4. The boundaries of the territories proposed to be annexed are shown on the attached diagrams.

SECTION 5. The proposed assessments are subject to approval by the affected property owners. A ballot and public hearing notice will be sent to the property owners within the areas proposed for annexation at least 45 days prior to the date of the public hearing. The ballots will be weighted by the amount of assessment to be paid by each property owner. The subdivision territories will not be annexed, and the proposed assessment for that subdivision will be abandoned if the weighted majority of the ballots returned are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article 13D of the California Constitution.

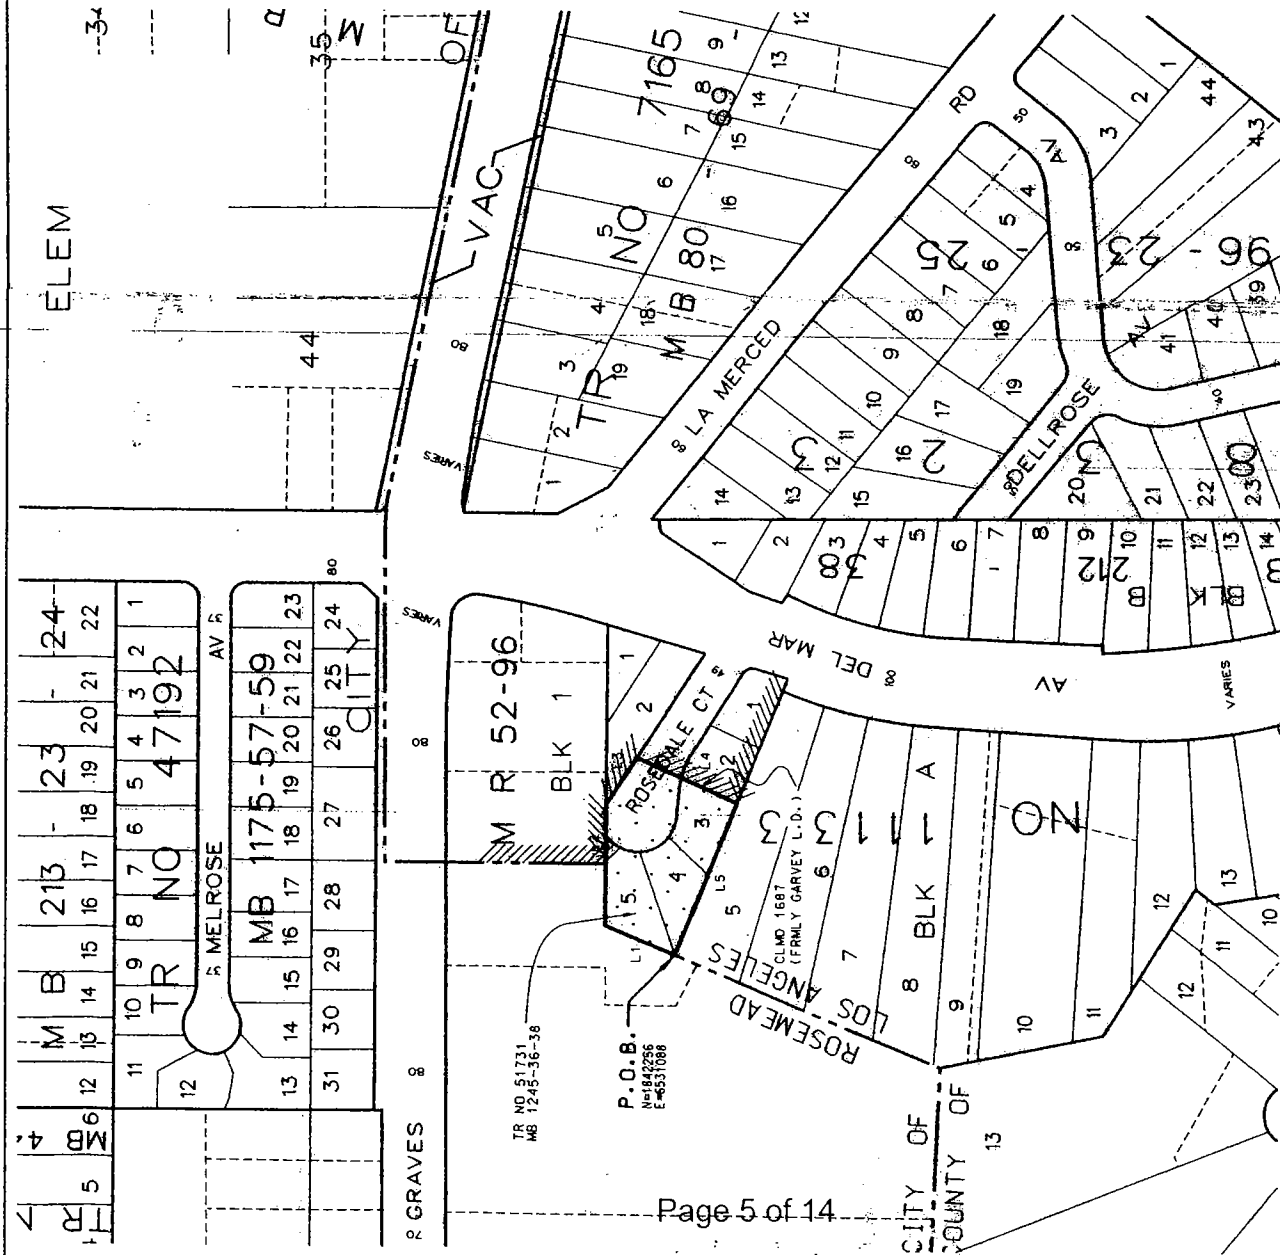

SECTION 8. Tuesday, \_\_\_\_\_, at 9:30 a.m., is the day and hour of the public hearing, at the Chambers of the Board of Supervisors of the County of Los Angeles, in Room 381B of the Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street and Grand Avenue), Los Angeles, California 90012, the place fixed by said Board of Supervisors when and where any and all interested persons may hear the proposal and be heard regarding the proposed street lighting assessments in the territories proposed for annexation to County Lighting District LLA-1.

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County of Los Angeles, the Los Angeles County Library, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the County Sanitation District No. 5 of Los Angeles County (County Sanitation District No. 5); the City Council of the City of Lomita; and the Board of Directors of the Water Replenishment District of Southern California have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as L148-0 to County Lighting Maintenance District 10038 is as shown on the attached Property Tax Transfer Resolution Worksheet.

WHEREAS, the Los Angeles County West Vector Control District has declined to negotiate an exchange of property tax revenue due to the annexation of L 148-0 to County Lighting Maintenance District 10038, and pursuant to Section 99.01(4) of the Revenue and Taxation Code, the Board of Supervisors of the County of Los Angeles is charged with the responsibility for determining the exchange of revenue; and
